

CHARTER SCHOOL CAPITAL BRIDGE FINANCING

Charter School Capital is constantly innovating solutions to support charters at all stages of growth. As such, we have created a solution to cover up to 100% of pre-bond financing costs, without requiring schools to tap into cash reserves.¹ Our bridge financing solution can be provided for terms of up to three years.²

About Charter School Capital

Charter School Capital helps charter schools access, leverage, and sustain the resources they need to thrive, allowing them to focus on what matters most – educating students.

Since our founding, we've provided over \$2 billion in funding to more than 600 charter schools across our nation and most importantly, served over 1,000,000 students.

We pride ourselves on creating customizable solutions to meet the needs of charters of all sizes and maturity levels.
